OUR TREATMENT ROOMS

ANTI-AGEING TREATMENT

We offer procedures to hold back signs of ageing by combining treatments to relax fine muscle movement, restore volume, elasticity to the skin and reverse gravitational pull effect on body features.

- * FOREHEAD AND BROW LINES
- * CROW'S FEET AND EYE WRINKLES
- * NASOLABIAL FOLDS & CHEEK DEFINITION/ VOLUME
- * MARIONETTE LINES & MENTAL CREASE
- * TEAR TROUGHS
- * BUNNY LINES & PURSE STRING WRINKLES
- * NECK LINES

FILLERS

We use hyaluronic acid based injections to restore ageing features associated with loss of volume to give and maintain that youthful look. H.A is naturally occurring in the body and completely reversible with no downtime and almost immediate visible result.

- **Tear Trough (Eye Bags, Dark Circles)**
- **Hollow Temple**
- **Non-surgical Rhinoplasty**
- **Cheek Enhancement**
- **Nasolabial Folds**
- **Purse String Wrinkles**
- **Sad Mouth Corners/ Sagging**
- **Lip Enhancement/ Definition**
- **Smile Lines/ Marionette**
- **Chin enhancement**
- **Ageing Hands**

BOTOX

Fine and wrinkle lines are signs of ageing, they have the undesired effect of making us look tired and old. Certain areas are susceptible to environmental damage, UV rays, loss of collagen and elastin. Also continuous movements of facial expression and gravitational pull tends to make these lines more visible.

The lines can be softened and removed by Botulin Toxin A.

FACIAL

At Skinetics, we offer several facial options that guarantee to leave you looking good and feeling good.

From streaming to extraction, exfoliation, peels, masks, light LED, hydrafacials and more!!! Our expert team of aesthetician are excited to clean, nourish and revitalise your skin

BOOK A CONSULTATION

THREAD LIFT (PDO & MOMOTHREAD)

PDO (Polydioxanone) threads are absorbable sutures that lift and rebuild skin structure. These hypoallergenic and non-pyrogenic threads are a safe and effective way to lift and tighten sagging skin, they are a minimally invasive alternative to surgical face and neck lift. This is a lunchtime procedure; once inserted into the skin, the threads instantly lift loose sagging skin and continuously stimulate new collagen & elastin synthesis/ formation to improve skin texture, fine lines, wrinkles and all round firmness of the overlying skin.

There are different types of threads, call and book an appointment to see what you need

LASER

1. LASER HAIR REMOVAL

We offer one stop complete solution for laser hair removal with multiple wavelengths and modes using state of the art equipment.

Our treatment is virtually painless, soothing and cooling for ALL skin types with no down time!!! So you can get back to your normal activity.

Our revolutionized machines administer treatment ultra quick to give that consistent, safe and reliable result you desire.

2. FRACTIONAL LASER

This non invasive treatment delivers a series of laser treatments targeted at a fraction of the skin at a time, using both ablative (epidermis /skin surface) and non ablative (Dermal collagen / mid layer skin).

Our fractional laser treatments cover

- Facial Lines & Wrinkles
- Skin Pigmentation
- Photo Damage
- Sun Damage
- Surgical And Acne Scarring.
- Stretchmarks
- Moles And Syringomas
- Vaginal Tightening
